

VEHICLE DESCRIPTION

VIN# _____

Color: _____

Make: _____

Model: _____

Year: _____

R.O.# _____

Stock # _____

Mileage: _____

SVC Meet
Req STD

ROAD TEST

- Engine Start/Idle (cold/warm)
- Operation/Performance/Acceleration
- Transmission Shifting (automatic/manual)
- Braking/ ABS (operation)
- Steering / Alignment
- Transfer Case Operation (FWD,RWD,AWD, 4WD)
- Cruise Control (hold, acceleration, cancel)
- Speedometer/Odometer

FUNCTIONAL

- Seat Belts/retractors (wear/operation)
- Mirrors (operation, heat, inside/outside)
- Indicator Gauges/Lights/Warning Tones
- Windshield Wipers/Washers
- Tilt Wheel/Telescoping
- Sound System (radio, tape, CD, all speakers)
- Heater (blower/blend door/ATC)
- Air Conditioning
- Horn
- Keys/Key Fob/Remote Start
- Rear Defogger
- Interior Lights (map lights/dash lights)
- Exterior Lights (headlights/DRL's/brake)
- Door Handles/Door Locks (power/manual)
- Fuel Door/Trunk/Hatch Release
- Windows/Power Swing-out (power/manual)
- Power Outlet/Cigarette Lighter
- Parking Brake
- Sunroof
- Console/Compartment Lid (front and rear)
- Overhead Console (compass/temp. reading)
- Visor (Vanity light)

NOTES

Mechanical Inspection By: _____
Date: ____/____/____

SVC Meet
Req STD

UNDER HOOD

- Emission/Diagnostic trouble codes
- Visual (loose/missing components/leaks)
- Electrical System/Battery/Starter Volts:_____ vDC
Load test results ____CCA Pass____ Fail____
- Engine Cooling/radiator/Fan/Fan Clutch
(level, hoses, condition) Good to - _____ ° F
- Power Steering System (level, pump,lines)
- Brake System (level, master cylinder, lines)
- Fuel System (lines/leaks/connection)
- Vacuum System (hose/condition)
- A/C Compressor (leaks/operation)
- Belts/Serpentine tension/wear
- Ignition System (wires/condition/routing)

UNDER VEHICLE

- Inspection/Correction of all fluid leaks
- Brake Calipers, Rotors, Drums (condition)
Brake Thickness RF____ LF____ est miles:____
Brake Thickness RR____ LR____ est miles:____
- Brake Hydraulics (level/lines/hoses)
- Springs/Sway Bars (mount/bushings/etc.)
- Control Arms (condition/mount/bushings)
- Steering Linkage (tie rods/ends, linkage)
- Engine/Trans/Transfer Case & Mounting (leaks)
- Driveline/Driveshaft/axles/Universal Joints
- Axles/Differentials (leaks/CV joints)
- Gear/Rack & Pinion (leaks/mounting)
- Parking Brake Cable (condition/operation)

MAINTENANCE

- Lube/Oil/Filter and maintenance (reset oil life monitor)
- Inspect /clean air filter (replace if necessary)
- Inspect/change all other filters per manufacturer's schedu
- Inspect/Top-off fluids
- Tire Depth (check/adjust/rotate if needed)
